21. (Unclassified - DFM) LIAISON Called Bill Miller, Staff Director, ~~Senate Select Committee on Intelligence~~, to ask him if he needed additional information on the news story of the apparent diversion of uranium ore to Israel. Miller said he would appreciate a written report on this story.

I also informed Miller that the Washington Post story of this day on CIA surveillance of Jack Anderson was based strictly on previously disclosed material. I told him I thought both the Rockefeller Commission and the Church Committee had been apprised of this matter.
